

TAP Foundation
"Where Dreams are Drummed Into Reality"

Background

The TAP Foundation was created as a result of the dream of Tyrone A. Parker, II, a young man filled with passion for drumming, recording and producing music. His single mother struggled to provide him with the necessary materials, equipment and financial support needed to pursue his dream. Through many sacrifices, much prayer, Godly determination, and the support of family and friends, Tyrone persevered. This scholarship was established to support student(s) with the opportunity to achieve their educational goals.
